### The Week of February 23-29th

The #HADDSLOVE social media campaign is an opportunity to get creative, funny, serious, whatever your style or mood and show support for HADDS. Rock your ribbons, sport your plaid, make signs & post!

### February 29th, 2020

The last day of February is also Rare Disease Day and Leap Day! It is only fitting that we save this date to celebrate the Foundation's first birthday and share the collective impact our generous donors have made towards HADDS research, community building and resources. We may be rare, but we are united in our focus to support HADDS!
